THE BALLOT

HOW THE OWNERS VOTE

- One ballot per Franchise, cast by the Franchise Owner in 🗳️ | league-voting.
- A 1st, 2nd and 3rd choice for each award, worth 5, 3 and 1 points.
- No self-votes: your own Franchise, your own pickups and trades you were part of aren't on your ballot. Bust of the Year is the exception.
- Most points wins. A tie goes to the most first-place votes, and if it's still tied the award is shared.
- Winners go up in 🏆 | hall-of-champions. Awards carry no money and change nothing in the standings or the draft.

THE DYNASTY POT

First Franchise to three BLHA Championships in the same cycle takes the whole pot.
